

Microlinea Recessed Series 3

(3 1/8" Luminous Aperture)

Catalog Number	Type
Project Name	

Lighted Vertical Corners

(T5 or T5HO Lamps)

Vertical extruded aluminum 90° corners are available for use in wall to ceiling mounted patterns. Corners are available in drywall applications only for 1 or 2 lamp, T5 or T5HO fixtures. Lamps are arranged in the corner to insure uniform illumination.

See reverse for dimensions.
