Microlinea Recessed Series 3 - LED

Introducing the MLR3-LED - the newest addition to our popular Microlinea recessed series.

Features include:

- Multiple low-power LED's combined with high transmittance, LED-optimized lens.
- Produces 3120 delivered lumens per 4' section (at 3500K CCT).
- Efficacy rating of 79 Lumens/Watt.
- 3000K, 3500K, or 4000K CCT options.
- Available with optional 0-10V dimming.
- Installs into grid, sheetrock, or 4" TechZone™ ceilings.
- Horizontal ("in-ceiling") corners and Vertical ("wall-to-ceiling") corners are available.

The **MLR3-LED** is available for order entry and shipment **now**. Please contact your PAL factory representative for more information.
